SNOW IS COMING

Please make sure all power cords DO NOT cross over the sidewalk when plugging in vehicles, as well keep your sidewalks clean of snow and ice. It is a safety hazard for people walking.

VILLAGE OF LOUGHEED TIMES

At the Lougheed Public Library, our board of directors and staff are continually looking for more ways to participate in our village, to build strong partnerships, and to go that extra step to keep our presence strong in the community.

Calling all children in the community— come get your coloring sheet at the library /or on this sheet for our Coloring Draw!. All entries will be on display until December 21, 2018 when a draw will be made for the lucky person to win a Christmas basket. Children ages 12 and under are **Welcome**—limit one entry per child.

AND since we are feeling really festive we are also holding a draw for adults. Everybody come visit the library for a chance to win a free one year membership.

What do you know about your library? Did you know you have access to a variety of books for all ages? We have options for seniors, adults, young adults, children and juvenile all available to you after purchase of a yearly \$15.00 membership. But that's not all; we have different genres, large print, German Language, audio books, DVD's, pedometers, daisy readers, and a power monitor. Not able to make it to the Library right away, ask about the options of getting books, DVD's audiobooks shipped directly to your door.

With your library membership, you have the ability to order online e-books, e-audio digital magazines, music, movies and access different interesting databases. Databases available are Consumer Reports, Solaro-school work assistance and practice tests for the Alberta 3-12 curriculum; Alberta Research Portal which gives you access to a collection of primary sources; the Pronunciator which lets you learn a new language, connect with other cultures, or download a phrasebook to your phone and PressReader allows you to download your favorite newspaper and magazines from all over the world. Databases available for in-library use only are Ancestry Library Edition, which is an excellent genealogy resource, and Grant Connect ,which helps charitable organizations find new funding opportunities.

Need support with computers? Our library staff are available to provide assistance with things like setting up and accessing e-mail accounts, help with government forms, scanning/sending documents, creating and forwarding resumes. We also offer black/white or color printing for a fee.

Please come visit the Lougheed Library. I'm sure you will be pleasantly surprised at how **warm** and **friendly** it is.

Merry Christmas!
